BADLANDS™

From the creators of the classic Super Sprint comes Badlands – a fabulous conversion of the popular coin-op.

A new ruthless sport has evolved in the arid wastelands of the Badlands. Sprint Racing with a killing touch – a destructive battle between armoured cars. It's all out war on the track as players blast the drone cars and each other to finish first.

Customise your racer with extra missiles, speed, tyres, turbo boosts and shields. Avoid oil spills and a host of hazards to race the eight unique tracks which increase in danger as the level of difficulty increases.

For one or two players – Badlands is ruthless, destructive and great fun!
